# Highlights

## Compact and versatile

Philips Hue Play adapts to your living room design and blends with your interiors seamlessly. You can let it stand on your cabinet to create a pleasant ambiance, mount it on the back of your TV or even lay it flat on the floor to brighten your walls from floor to ceiling. Enjoy the freedom to place it in any corner and you will be surprised by how the Philips Hue Play fits in every living room perfectly.

## Paint with light

Play with light and choose from 16 million colors to instantly change the look and atmosphere of your room. Set the scene effortlessly with one touch of a button. Use a favourite photo and relive that special moment with splashes of light. Save your favourite light settings and recall them whenever you want with the tap of a finger.

## Perfect TV backlight

Create the most beautiful backlight for your television. Just mount Philips Hue Play behind your screen using the clips and double-sided tape included in the pack, and enhance your viewing experience with splashes of light surrounding your television. Experience a different atmosphere every evening on the couch.

## Create your ambiance

Set the right ambiance for any moment and decorate your home with warm to cool white light. Enjoy different styles throughout the year, no matter if it's the crisp white light reminding you of a spring breeze, the warm white light of a summer sun, or the ice cool

daylight of winter. Connection with the Philips Hue bridge required for this functionality.

## Sync with entertainment

Extend your TV viewing experience to the whole room or sync light to your favorite music and see how light reacts to the rhythm. Download Hue Sync and discover the amazing things you can do with Philips Hue.

## One socket. 3 Hue Plays.

Looking for a unique light experience? But are you often lost in a mesh of wires, and encounter a shortage of sockets behind your TV? Now you can connect not only 1, but up to 3 Hue Plays to the same power supply unit, leaving enough room for other devices. With each additional Hue Play, your light experience becomes even more immersive. Mix and match the colors and create your personal ambiance. Declutter and enjoy a magical experience.
